**Life Sciences & Healthcare
Driving Global Transformations:
Compliance Optimization, Content Collaboration, ERP Integration for
Maximum ROI**

Are You Having Problems Growing Your Life Sciences, Healthcare Company in This Tough Economic Climate?

Come learn new technologies and industry trends to:

- Increase ROI by reducing capital & operating costs, reducing inventory levels, improving order lead times and integrating financial information
- Combine Life Sciences ERP with a Content System to globally reduce document redundancy, increase cross functional use, e-collaboration and migration of critical data
- Optimize compliance & regulatory mandates, improve product tracking and cost of goods sold
